

NAVTECH USSA FAST TRACK CERTIFICATION

For time crunched and busy experienced mariners, those wishing to transfer membership, and/or those who have a professional reason or need to start surveying immediately. *The only hard copy manual mailed to students, required, is the US SURVEYORS MEMBERSHIP GUIDE. The Membership Guide contains the 5 question Ethics exam and The USCG Fishing Vessel Qualification Examination, and a selection of the best filled in sample forms. These are included, but they are not available online and only available inside the Membership Guide which will be shipped. One blank standardized USSA form in Word Format will be emailed which will be suitable for your private use. A list of reference, researched web sites will also be emailed.
